

Problem Resolution Report

**Amendment to MASL 64-65 (Proposal Requests)
NG/CoSD-38**

Date: February 13, 2009

Summary:

In accordance with the provisions of the IT and Telecommunications Service Agreement dated January 24, 2006 ("the Agreement") by and between the County of San Diego ("County") and Northrop Grumman Information Technology, Inc. ("Northrop Grumman" or "Contractor") (hereinafter collectively referred to as "the Parties") agreement is reached on the date shown above.

Issue or Problem:

The parties wish to amend the defining statement of *Proposal for Requirement Analysis* in MASL ID number 64 and 65. The existing MASL states that "The requestor will be provided a requirements analysis schedule and budget proposal within 2 business days or otherwise negotiated with requester." This language does not grant a sufficient timeframe for the proposal or/and budgetary estimate.

Resolution:

The County of San Diego and Northrop Grumman have agreed:

The language in MASL ID 64 and 65 found in Section 8.3.5.41 (Proposal Request) of Schedule 4.3 of the Agreement, under the Definition section, item 1.) *Proposal for Requirements Analysis* will be amended by changing the defining statement from "The requestor will be provided a requirements analysis schedule and budget proposal within 2 business days..." to "The requestor will be provided a requirement analysis schedule and budget proposal within 5 business days..." All else remains the same.

The resolution of the issue or Problem as described in this Problem Resolution Report shall govern the Parties' actions under the Agreement until a formal amendment of the Agreement is implemented in accordance with the terms of the Agreement, at which time this Problem Resolution Report shall be deemed superseded and shall be null and void.

All other terms and conditions of the Agreement remain unchanged and the Parties agree that such terms and conditions set forth in the Agreement shall continue to apply. Unless otherwise indicated, the terms used herein shall have the same meaning as those given in the Agreement.

Problem Resolution Report

NORTHROP GRUMMAN

Amendment to MASL 64-65 (Proposal Requests)
NG/CoSD-38

IN WITNESS WHEREOF, The Parties hereto, intending to be legally bound, have executed by their authorized representatives and delivered this Problem Resolution Report as of the date first written above.
